Designer BL and BH should be able to add team member to the project - Add teammember

When Leads are move from one stage to another - auto pop up intent rating tab to be opened - Designer can manually edit with reason

Multiple file for the floor plan can be attached. - Once after the file is uploaded name of the file shown next to it

When the lead stage is moved from MQL to DQL -(i) Mandatory is Floor plan and lifestyle capture sheet (right now life style capture sheet is in PR supposed to be in DQL)

When meetings are marked completed - MOM tab opens - should also have attachment section - the attachment will sit under the files if uploaded - if files are attached under files then it should automatically attached to the Mail sent for MOM.

Stages that should send without attachment is proposal ready mail.

Proposal ready - Mandatory - Proposal file to be attached under proposal ready folder. And proposal presentation meeting schedule

Proposal presented - when stage is moved from pr to PP or DQL to PP - mandatory - proposal should be attached under pp file folder - PP quotation attachment need not to be mandatorily generated quote - When the stage is moved to the OB stage then generated quote is mandatory.

All the stages should have a multiple option for attachment eg - quotation + Presentation + Requirement capture sheet to be attached separately.

When stage moved from PP to PD - Mandatory to fill expected OB date.

Dashboard should forecast next month target - with expected OB date and dip project timeline.

Attachment Mandatory

DQL - Floor plan Multiple selection + Lifestyle capture sheet

PR - Quotation + Presentation

PP - Quotation + Presentation

PD - Quotation + Presentation

OB - Generated Quotation + Presentation + System auto attach welcome presentation

OBM - Generated Quotation + Presentation

Right now in spite of attached generated quote stage is not moving from PP to OB

Once the project is moved to DIP stage then the sales incentive is calculated

Once the project is moved to EIP then design incentive is calculated.
